COPY DEADLINE Not later than 12 noon on Monday's. Deposit in the Gazette Box at 45 Sunset Blvd.

FROM THE TOWN BRASS MEETING JANUARY 21, 1963.

St. Albert residents may no longer be faced with the problem of re-shovelling their driveways after the town bulldozer has finished clearing the residential streets of snow. Because of a large number of complaints, Council decided Monday to investigate with the Town Engineer, the possibility of having private driveways cleared of snow left by the town snow removal crews.

It was decided a letter should be sent to Alberta Government Telephones requesting better repair services over the weekends. It has been brought to Council's attention that no repair service is available between 5 p.m. Friday and 9 a.m. Monday.

The water bills in future, may be processed every two months. A proposal by the secretary-manager to put the billing on a two-month basis is now under consideration and results will be announced shortly.

BOTTLE DRIVE

The First and Second St. Albert Cub Packs will sponsor a bottle drive on Saturday January 26 at 9 a.m.

Residents are asked to please put out their bottles on their back step.

FROM THE CHURCH HILL YOUNG CHRISTIAN STUDENTS

At the pre Christmas meeting it was decided that a hamper consisting of toys and groceries should be given to a needy family in St. Albert. Everyone contributed and a hamper was bought.

On December 23, a cold, sub-zero night, the Y.C.S. went caroling from house to house in St. Albert.

On the 6th of January, the members held a skating party at the St. Albert Skating Rink. Refreshments were served at the Parish Hall to conclude the party.

The January 20th meeting was concerned with arrangements for the Teen Dance which will be February 9th, from 8:30 to 12 at the St. Albert Community Hall. Music will be by the Renowns and everyone is welcome to attend. Proceeds from this dance will be given to Bishop Bokenfohr for the African Missions. The meeting featured Mr. Frank Dolphin, well known CBC TV reporter, who spoke to the members on "The Role of the Catholic Students" The meeting finished with entertainment and a decade of the Rosary.

On January 13th, Robin Shane Laing, son of Mr. & Mrs. Jack Laing, was baptised. Godparents are Mr. & Mrs. Omer Comeau.

Brother LaCroix died last week at the Youville Home at the age of 89. He was buried in the St. Albert cemetery.

The Parish also mourns the death of the mother of John Kropa. She will be buried in Waugh.

The Parish of St. Albert celebrated the 25th anniversary of Father Lemieux OMI. Father Lemieux is in the service of the Youville Home.

A banquet was held in the Parish Hall and the guests were entertained by the beautiful voice of Mrs. Cecile Vallee Jalbert. Her accompanist was Mrs. Jean Letourneau. The Ladies of the Altar Society had prepared a delicious banquet.

EVENING SERVICE AT ST. ALBERT UNITED CH.

There will be a Sunday evening service in St. Albert United Church on February 3rd at 8 p.m. The preacher will be Dr. Ed Schwarz and Mrs. Ted Hole will be the organist. Mr. Roy Gilley will lead the congregation in a period of informal hymn singing and a soloist will be present. This is a family service and everyone is welcome.

BRIDGE RESULTS

The winners of the Duplicate Bridge last Sunday January 19th, played as teams of four are:

First: Mr. Mrs. Ahronson, Mr. Young, Mr. Dupilka 62%
Second: Mr. Mrs. Haselgruber, Mr. Mrs. Matear 56.62%
Third: Mr. Mrs. Batchelor, Mr. Mrs. Kay 55.44%

ST. ALBERT HIGH SCHOOL CAREER DAY

On Wednesday, January 23, students in Grades 9 to 12 from the St. Albert High School, Sir Alexander Mackenzie School, Mission Park School and Vital Grandin School will have the opportunity to get some first hand information about their choice of vocation. They will assemble at the St. Albert High School to listen to speakers in the various occupations, and will have the opportunity to discuss the occupation of their choice. Representing the University of Alberta, Prof. W. Pilkington, Assistant to the Dean, Faculty of Education, will speak on Education. Dr. M. Asplund, will represent the Faculty of Agriculture, Prof. L. Jads will represent the Faculty of Engineering, and Dr. T. Rempel, Director of Student Counselling Services will attempt to describe university life in general. The Northern Alberta Institute of Technology will be represented by Mr. A. Saunders, Principal, and Mr. J. Sterritt, Registrar.

Miss Mary McDonald of the Sturgeon Health Unit will talk to future nurses, while Mr. A. D. McTavish of the McTavish Business College will speak on Commercial opportunities. The Armed Services will be represented by Lt. Commander A. T. Love of the Royal Canadian Navy, and Mr. G.L. Peers of the Guidance Department of the

Department of Education will attempt to answer questions on some of the occupations not covered by the other speakers. Still to be announced are speakers on the Apprenticeship Program and Police work. The afternoon will commence with an introduction of the speakers to the whole group. The students then will break up into smaller groups according to occupation. This will be followed by a second similar session allowing the students to find out something about a second occupation. It is hoped that the students will do some thinking about their choices so that they will come prepared to ask questions in order to get the most benefit from the Career Day.

Dear Editor and St. Albert Citizens,
RE: Liquor Outlet Survey
St. Albert citizens are outstandingly community minded, as was proven by the results of the recent recreational survey. Now we are anxiously awaiting the results of the more recent liquor outlet survey.

In our democratic society, the majority vote often demands and accomplishes its desires. However, in the sight of God, the majority is not always right.

The obvious controversy is, do we have a liquor outlet in the shopping centre or do we have it in the downtown area. How many community minded citizens would go on record and say, "Do we need one at all?"

It is trite and childish to say that a more convenient access to liquor will minimize the growing problems and heart aches which alcoholism presents.

They will get it anyway! Why not in our community? Yes, the very fact that a man will go out of his way and often spend his last sweat stained dollar to appease an insatiable desire for a drink speaks of its damning effects on the individual, the home, the community!

What about your child, the teenager, who will often see his dad, mother or neighbor making habitual calls at this handy liquor outlet? Are recreational facilities enough to distract him from this accepted social necessity, a drink? Can the Church, probation officer, the AA's help him after you have realized your folly?

Prove honestly that our community will benefit morally by having a convenient liquor outlet, in either location, and I will admit that God's Word grossly exaggerates the admonition in Proverbs 20:1 Wine is a mocker, strong drink is raging whosoever is deceived thereby is not wise.

Community minded leaders! Citizens!
